

Nozīmīgākās ENERĢĒTIKAS nozares izstādes 2011. gadā

Vācija		
<p>enertec 25Jan-27Jan 2011 Leipzig http://www.enertec-leipzig.de/</p>	<p>Starptautiska enerģētikas tirdzniecības izstāde</p>	<p>Techniques for energy conversion and supplies: centralised energy technology und decentralised energy technology with utilization of renewable energy sources, energy efficiency techniques, distribution and storage of energy, technologies for process measuring / control and information systems, trade and services</p>
Lielbritānija		
<p>EBW UK 25Jan-26Jan 2011 London http://www.ebw-uk.com/</p>	<p>Enerģijas iegūšana no biomasas un atkritumiem. Starptautiska izstāde un konference</p>	<p>Biomass, biogas, biofuels, biowaste, municipal solid waste, production waste, solid and liquid fuels (pellets, gases), ethanol, biodiesel, syngas, biomass power plants, waste gas fermentation, combustion, power generation, landfill gas recovery, waste-coal-to-fuel, waste-to-energy technologies, secondary fuels, secondary raw materials, material flow management, fuel production and vehicles, sorting technologies, separation and grinding technology, plant engineering, air quality, water quality</p>

ASV		
<p>Green Manufacturing Expo 08Feb-10Feb 2011 Anaheim http://www.GreenMfgExpo.com</p>	<p>Zaļās enerģētikas risinājumu izstāde</p>	<p>Energy: solar energy systems, photovoltaic systems, solar components, solar batteries, wind power systems, wind power components. Consulting: sustainable manufacturing consultants, energy management consulting, recycling and waste treatment consulting. Materials: bio polymers, rubber compounds, biomaterials. Packaging: bio-compostable, packaging, recyclable packaging, reusable packaging, bio-polymer packaging. Energy saving components / machinery: motors, drives, conveyors, processing equipment. Recycling: recycling (glass, steel, paper) equipment, plastics recycling equipment, recycling services. Software: CAD / design for sustainability, energy management software, thermal analysis software, enterprise-wide software. Water treatment: industrial waste management, waste instrumentation and controls, waste water treatment equipment / processes</p>
Francija		
<p>Energies Renouvelables 15Feb-18Feb 2011 Lyon http://www.energie-ren.com/2011/</p>	<p>Atjaunojamo enerģiju izstāde</p>	<p>Solar energy, photovoltaic energy, wind energy, geothermal energy, small scale hydropower, energy from wood, biogas, services</p>
Izraēla		
<p>Eilat-Eilat Renewable Energy 22Feb-24Feb 2011 Eilat http://www.eilatenergy.org</p>	<p>4. Starptautiskā atjaunojamās enerģijas nozares izstāde un konference</p>	<p>The Eilat-Eilat Renewable Energy 4th International Conference & Exhibition is among the world's leading platforms for presenting technological innovation, business opportunities, policies and implementation in the renewable energy field.</p>

Austrija		
<p>Energiesparmesse Wels 02Mar-06Mar 2011 Wels http://www.energiesparmesse.at/</p>	<p>Enerģētikas izstāde</p>	<p>Energy efficient building and redevelopment. Fair categories: HEIZ- & ENERGIE-tech: heating technology, renewable energy, solar facilities, biomass, photovoltaics, solid heating, oil and gas heating, floor and wall heating, measurement, thermal allocation systems, consulting to save energy. BAUMAT & GEBÄUDE-tech: modern building materials, windows, insulation, tiles, gardening. WASSER- & SANITÄR-tech: bathroom facilities, sauna, whirlpool, pools, fittings, rain water utilisation, water treatment</p>
Beļģija		
<p>EWEC 14Mar-17Mar 2011 Brussels http://www.ewec2011.info/</p>	<p>Eiropas vēja enerģijas konference un izstāde</p>	<p>Wind turbines, certification body, components material manufacturing, consultancy, developers, electricity generators / utility, EU and non EU associations, event organisation, finance / insurance, measuring equipment, other R&D / universities / institutes, services</p>
Moldova		
<p>MOLDENERGY 16Mar-19Mar 2011 Chisinau http://www.moldenergy.moldexpo.md/</p>	<p>Starptautiskā specializētā izstāde par enerģētiku, enerģiju-taupošām tehnoloģijām, gāzes apgādi, karsēšanas un gaisa kondicionēšanas sistēmas</p>	<p>Equipment for thermal and electric stations, heating, ventilation and air conditioning systems, energy saving technologies and equipment, gas equipment, automation and measuring devices, lighting fixtures</p>

Vācija		
<p>new energy husum 17Mar-20Mar 2011 Husum http://www.new-energy.de/</p>	<p>Starptautiska atjaunojamo enerģijas avotu izmantošanas izstāde</p>	<p>Solar heating, photovoltaics, geothermics, biogas plants, biofuels, wood and cereal fired heating systems, pellets, fuel cells, combined heat and power generation units, efficient use of energy, electro mobility and Europe's largest fair for small wind energy turbines</p>
Gruzija		
<p>GIOGIE 29Mar-30Mar 2011 Tbilisi http://www.giogie.com</p>	<p>10.Starptautiskā Gruzijas naftas, gāzes, infrastruktūras un enerģētikas konference</p>	<p>Oil and gas exploration, drilling technology, extraction, preparation, transport and storage, chemical materials, methods and technology for oil processing and oil chemistry, environmental protection</p>
Slovākija		
<p>RACIOENERGIA / CLIMATHERM 29Mar.-02Apr 2011 Bratislava http://www.incheba.sk/exhibitions/3283?lang=en/</p>	<p>Starptautisks apsildes iekārtu, gaisa kondicionēšanas un enerģiju taupošo iekārtu gadatirgus</p>	<p>Heating, measurement, controls, water and gas pipelines, ventilation and air-conditioning, refrigerating, cleaning</p>
Īrija		
<p>The Energy Show 30Mar-31Mar 2011 Dublin http://www.seai.ie/News_Events/Energy_Show/</p>	<p>Konference par ilgtspējīgu enerģētiku un enerģijas saglabāšanu</p>	<p>EneEnergy conversation rgy conversation</p>

Vācija		
<p>Energy / HANNOVER MESSE 04Apr-08Apr 2011 Hanover http://www.hannovermesse.de</p>	<p>Vadošā atjaunojamo un standarta enerģijas ražošana, pārvietošana un sadale</p>	<p>Power generation, other renewables, cogeneration plant, motors, energy management and services, gas technology and trade - community heating - hydro-electric power - electric power supply and trade - energy supply und trade - hydrogen and fuel cells - building systems engineering - energy infrastructure - energy and automation technology - electric power generation - accessories - energy transmission - energy distribution - cable - switching technologies - transformers - Internet solutions for the energy management</p>
Horvātija		
<p>INTERKLIMA 05Apr-09Apr 2011 Zagreb http://www.zv.hr/</p>	<p>Starptautiska apsildes, dzesēšanas, gaisa kondicionēšanas un dzeramā ūdens apstrādes tehnoloģiju izstāde</p>	<p>Heating equipment, devices and means / cooling devices and plants / air-conditioning and ventilation equipment, devices and means / auxiliary materials / technical literature and publications</p>
Rumānija		
<p>ENREG ENERGIA REGENERABILA 07Apr-09Apr 2011 Arad http://www.enreg-expo.com/</p>	<p>Atjaunojamās enerģijas un energoefektivitātes konference un izstāde</p>	<p>Geothermal energy, wood energy supply, energy efficient construction and renovation, cogeneration, solar technology, heat pump, hydropower, wind energy</p>
Dānija		
<p>Transmission & Distribution Europe 12Apr-14Apr 2011 Copenhagen http://www.td-europe.eu/</p>	<p>Energo nozares izstāde un konference</p>	<p>Business sectors: Energy. Annual, rotating location</p>

Ukraina		
<p>elcom Ukraine 12Apr-15Apr 2011 Kiev http://www.elcom-ukraine.com/</p>	<p>Starptautiska enerģijas un elektroinženierijas un energoefektivitātes izstāde</p>	<p>High and low voltage equipment, energy saving, renewable energy sources, energy and power supply systems, cables and wires, lighting, electronics, industrial automation</p>
Bulgārija		
<p>EE & RES Congress and Exhibition 13Apr-15Apr 2011 Sofia http://www.viaexpo.com/</p>	<p>Starptautiska izstāde un kongress par energoefektivitāti un atjaunojamajiem enerģijas avotiem</p>	<p>Energy saving technologies, renewable energy systems, retrofitting of buildings, management of environmental safety, emission trade, financing, systems and equipment for thermal insulation, co-generation, devices for air pollution control, energy from waste, gas installations and equipment, glass and glass products, heating technology, low-energy buildings, passive houses, energy certification, control equipment, building materials, building profiles, air conditioning, ventilation equipment</p>
Šveice		
<p>ENERGISSIMA 14Apr-17Apr 2011 Fribourg http://energissima.ch/</p>	<p>Jaunako tehnoloģiju un atjaunojamo energoresursu gadatirgus. Kopā ar ecoHome un GREENTECH</p>	<p>Hydropower, solar energy, wood energy, geothermic energy, wind power, fluid and solid fuels as well as hydrogen</p>
Indija		
<p>POWER-GEN India & Central Asia 05May-07May 2011 New Delhi http://www.power-genindia.com/</p>	<p>Exhibition and Conference</p>	<p>Power generation equipment, environmental control equipment and services, power plant components, instrumentation and control, water treatment equipment and chemicals, engineering and construction, project development, fuel supply, fuel and waste handling equipment and services. With Renewable Energy World India and HydroVision India</p>

Ungārija		
<p>RENEXPO Central Europe 05May-07May 2011 Budapest http://www.renexpo-budapest.com/</p>	<p>Starptautisks bioenerģijas gadatirgus, energo efektīva būvniecība, renovācija</p>	<p>Education and training, biogas and bio mass, fuel cells, electro and solar vehicles, energy consulting, services, building, energy supply and distribution, financing, supporting, geothermic technologies, green energy, tiled stoves, combined heat and power generation, media, low energy and passive houses, ecological building, photovoltaics, press, publishers, rational energy usage, solar energy, traffic, heat pumps, water and wind energy, hydrogen, sciences and research. With Passivhaus Expo</p>
Ēģipte		
<p>WVEC 11May-14May 2011 Cairo http://www.wwindea.org/</p>	<p>Pasaules vēja enerģijas izstāde un konference</p>	<p>All sectors of wind energy utilisation and integrated / hybrid systems (technologies and services)</p>
Spānija		
<p>GENERA 11May-13May 2011 Madrid http://www.ifema.es</p>	<p>Starptautiska enerģētikas un apkārtējās vides izstāde</p>	<p>Energy services. Solar (thermal, photovoltaic and thermoelectric). Cogeneration. Wind. Biomass. Hydrogen. Fuel Cell. Residual. Geothermic. Hydraulic. Fossil energies (coal, gas, petroleum). Marine. Energy consultancy. Other energies</p>

Uzbekistāna		
<p>Power Uzbekistan 16May-18May 2011 Tashkent http://www.ite-uzbekistan.uz</p>	<p>Starptautiska Uzbekistānas enerģētikas izstāde</p>	<p>Production of electric and thermal energy, conversion and storage of electrical energy, transmission and distribution of electrical energy, alternative sources of electrical energy, nuclear power engineering, industrial power engineering, technologies of energy efficiency and energy saving, electro-technical equipment, pumps and compressors, pipes and pipeline fittings, industrial ventilation systems, technologies and systems of water treatment, measurement, control and diagnostic instrumentation, diagnostic equipment, automation control systems, nature conservation technologies, engineering services, media / publishing services</p>
Lietuva		
<p>Balttechnika 17May-19May 2011 Vilnius http://www.litexpo.lt/</p>	<p>Starptautiska inovācijas, enerģētikas, elektroinženierijas, ekoloģijas izstāde</p>	<p>Electrical engineering and electronics, tools, research and technology, environmental protection, renewable energies, subcontracting</p>
Pakistāna		
<p>POGEE 17May-19May 2011 Karachi http://www.pogeePakistan.com/</p>	<p>Pakistānas naftas, gāzes un enerģijas izsāde un konference</p>	<p>Oil and gas exploration, production, refining, supplies, marketing and services. Energy generation, transmission, technology, services and supplies</p>

Uzbekistāna		
<p>OGU 17May-19May 2011 Tashkent http://www.ite-uzbekistan.uz</p>	<p>Starptautiska Uzbekistānas naftas un gāzes nozares izstāde un konference. Naftas un gāzes aprīkojums, izpētes darbi, rafinēšanas un urbšanas tehnoloģijas, pumpji, transportēšanas sistēmas, trubas, instrumentācija</p>	<p>Oil and gas equipment, exploration, refinery technology, drilling technology, pumps, instrumentation, process engineering, oil and gas transportation systems, pipelines</p>
Krievija		
<p>Energetika + Elektrotehnika 17May-20May 2011 St. Petersburg http://energetika.lenexpo.ru/en/</p>	<p>Starptautiska energonozares un tās aprīkojuma izstāde</p>	<p>Power industry equipment, technologies. Electrical machines, devices and apparatus. Equipment for thermal energy, nuclear energy, hydro energy, alternative energy, technologies, electrical machinery, devices</p>
Polija		
<p>EXPOPOWER 24May-26May 2011 Poznan http://www.expopower.pl/en/</p>	<p>Starptautiska enerģētikas nozares izstāde</p>	<p>Electric power and thermal energy: production (complete devices, systems and sub-assemblies) - materials, devices and systems for transmission - sale. Environmental protection in power engineering. Renewable energy. Construction engineering. Electric machines and devices and their elements. Conduits and connectors. Steering and control. Accessories for automatic systems and their elements. Analogue and digital technology. Telecommunication systems for power utilities. Special devices for power industry</p>

Portugāle		
<p align="center">AMBINERGIA 02Jun-05Jun 2011 Porto http://www.ambinergia.exponor.pt/</p>	<p align="center">Enerģētikas, vides un ilgtspējas izstāde</p>	<p>Water, soil rehabilitation, effluents, industrial waste (collection, separation, treatment, reuse), urban waste, recycling materials, energy and the environment, air, noise, analysis, measurement and control, clean technologies, eco-industries, engineering, consultancy and auditors, training and information, institutions, press, renewable energy</p>
ASV		
<p align="center">Green Manufacturing Expo 07Jun-09Jun 2011 New York http://www.GreenMfgExpo.com</p>	<p align="center">Zaļās enerģētikas risinājumu izstāde</p>	<p>Energy: solar energy systems, photovoltaic systems, solar components, solar batteries, wind power systems, wind power components. Consulting: sustainable manufacturing consultants, energy management consulting, recycling and waste treatment consulting. Materials: bio polymers, rubber compounds, biomaterials. Packaging: bio-compostable, packaging, recyclable packaging, reusable packaging, bio-polymer packaging. Energy saving components / machinery: motors, drives, conveyors, processing equipment. Recycling: recycling (glass, steel, paper) equipment, plastics recycling equipment, recycling services. Software: CAD / design for sustainability, energy management software, thermal analysis software, enterprise-wide software. Water treatment: industrial waste management, waste instrumentation and controls, waste water treatment equipment / processes</p>

Azerbaidžāna		
<p>CASPIAN OIL & GAS 07Jun-10Jun 2011 Baku http://www.caspianoilgas.az</p>	<p>Starptautiska Kaspijas reģiona naftas un gāzes izstāde, apvienojumā ar rūdas bagātināšanas un petroķīmiskajiem produktiem</p>	<p>Reservoir engineering, geophysics and geology, construction and exploitation, wells, platforms and floating rigs, designing, manufacturing and servicing, equipment for oil and gas industry, protection systems for pipelines, refining and petrochemicals, hydrocarbons transportation, building and construction for the energy sector, providing oil and gas storage systems, producing specialist techniques, general operational and maintenance back-up and spare parts, oil field services</p>
Itālija		
<p>POWER-GEN Europe 07Jun-09Jun 2011 Milan http://www.powergeneurope.com</p>	<p>Enerģijas ražošanas nozares izstāde un konference</p>	<p>Power generation equipment, environmental control equipment and services, power plant components, instrumentation and control, water treatment equipment and chemicals, engineering and construction, project development, fuel supply, fuel and waste handling equipment and services. With Renewable Energy World Europe. Nuclear Power. POWERGRID Europe. HydroVision Europe</p>
Taivāna		
<p>SOLAR Taiwan 08Jun-10Jun 2011 Taipei http://www.optotaiwan.com/en/</p>	<p>Starptautiska solārās enerģētikas izstāde</p>	<p>Solar integrated product and applications, photovoltaic(PV) system and installations, PV module, solar cells, materials and equipment</p>

Ukraina		
<p>BioFuel 14Jun-18Jun 2011 Kiev http://www.biofuel.com.ua/</p>	<p>Specializētā atjaunojamās enerģijas izstāde</p>	<p>Bioenergy, biofuels, biogas, biomass, energy management, energy services, geothermal energy, solar technology, solar power equipment, combined heat and power generation, heat pump, heat storage units, hydropower, wind energy, wind energy installations, services</p>
Beļģija		
<p>RENEXPO Bioenergy EUROPE 29Jun-30Jun 2011 Brussels http://www.renexpo-bioenergy.eu/</p>	<p>Eiropas bioenerģijas gadatirgus un konference</p>	<p>Bioenergy industry: electricity, heat, cooling and biofuels</p>
Norvēģija		
<p>NEREC 12Sep-14Sep 2011 Lillestrom http://messe.no/en/ntf/Projects/NEREC/</p>	<p>Ziemeļeiropas atjaunojamās enerģijas pasākums. Izstāde un konference</p>	<p>Business sector: Energy</p>
Serbija		
<p>BIOMASA 14Sep-16Sep 2011 Novi Sad http://www.icm.si/</p>	<p>Starptautiska atjaunojamo enerģijas avotu izstāde</p>	<p>Biomass, biogas, hydroelectricity, photovoltaic, solar, geothermal, cogeneration, financing, solar colling, research and development, specialized press, literature, organizations, associations</p>
Ungārija		
<p>ENERGOexpo 20Sep-22Sep 2011 Debrecen http://www.energoexpo.hu/?lng=eng</p>	<p>Starptautiskā enerģētikas konference un izstāde</p>	<p>Energy production, transportation and storage, trade, supplies and services, power consumption, alternative energy sources, power stations and equipment, energy trade, power plant technology, generation of heat, metering equipment, pumps, fittings, gas turbines, solar radiation, solar thermal energy, hydropower</p>

Bulgārija		
<p>ENECO 26Sep.-01Oct 2011 Plovdiv http://www.fair.bg/en/</p>	<p>Starptautiska energoinženierijas un ekoloģijas izstāde</p>	<p>Energy resources, technologies and equipment for power engineering, small power stations, control devices and appliances for economical power generation - energy transfer and consumption, financing and management of energy projects, technologies and equipment for environmental protection, industrial and household waste, sewage treatment and recovery, air monitoring, technologies and installations for management of environmental disaster, sanitary and disinfection systems, financing and management of ecological projects, labor safety, refrigerating, ventilation, air-conditioning, heating</p>
Bulgārija		
<p>ITM 26Sep.-01Oct 2011 Plovdiv http://www.fair.bg/en/</p>	<p>Starptautiskais tehnisko nozaru gadatirgus. Iekļautas vairākas dažādu nozaru izstādes</p>	<p>Information technologies, power engineering and ecology, industrial equipment, chemical industry, construction and architecture, automobiles, transport and car service equipment, electronics and electrical engineering, software, fire, safety and emergency</p>
Horvātija		
<p>ENERGETIKA / ENERGETICS 27Sep.-30Sep 2011 Zagreb http://www.zv.hr/</p>	<p>Starptautiska enerģētikas, elektronikas un automatizācijas izstāde</p>	<p>Primary energy sources (electric, oil and gas energy), alternative energy sources, energy distribution, energy supply, energy converting and storage, energetics control and measuring equipment, energy management, services in the field of energetics, electro installation in buildings, mining, scientific and technical literature</p>

Spānija		
<p>EFEF 18Oct-20Oct 2011 Bilbao http://www.europeanfutureenergyforum.com/</p>	<p>Eiropas reģiona nākotnes enerģijas forums</p>	<p>Biofuels, carbon management, fuel cells, wind, solar, power, engineering, petrochemicals, geothermal, ocean power, biomass, waste to energy, energy efficiency, clean transport, green buildings, finance. Congress, exhibition and special features: Future Urban Zone, Eco Transport Showcase, technical visits</p>
Baltkrievija		
<p>BIOENERGY 25Oct-28Oct 2011 Minsk http://www.minskexpo.com</p>	<p>Starptautiska specializēta bioenerģijas nozares izstāde</p>	<p>Equipment and technologies for bio-fuel production and incineration, renewable energy sources, biomass, bioprocesses</p>
Austrija		
<p>RENEXPO Austria 24Nov-26Nov 2011 Salzburg http://www.renexpo-austria.at/</p>	<p>Starptautiska atjaunojamās enerģijas un energoefektīvas būvniecības un renovācijas izstāde</p>	<p>Bioenergy and passive houses, energy services, solar technology, hydropower, heat pumps</p>
ASV		
<p>POWER-GEN International 06Dec-08Dec 2011 Orlando http://www.power-gen.com</p>	<p>Pasaules lielākā enerģijas ražošanas nozares izstāde</p>	<p>Power generation equipment, environmental control equipment and services, power plant components, instrumentation and control, water treatment equipment and chemicals, engineering and construction, project development, fuel supply, fuel and waste handling equipment and services</p>

Indija		
<p>Energy INDIA 06Dec-09Dec 2011 Bengaluru http://energyindiaorg.inetbase.com/</p>	<p>Energoefektivitātes izstāde. Kopā ar Industrial Automation INDIA, CeMAT INDIA un MDA INDIA</p>	<p>Energy efficiency: electric power systems, measuring and control equipment for power engineering, technical building installations - Captive power plants: conventional energies, renewable energies</p>
Francija		
<p>ENERGAIA 07Dec-10Dec 2011 Montpellier http://www.energaia-expo.com/</p>	<p>Atjaunojamo enerģiju izstāde</p>	<p>Exhibitors from 12 countries, visitors from 52 countries</p>

Avots: m+a International Tradeshow Media - <http://www.expodatabase.com> (02.2011.)

Plašāka informācija par izstādēm ārvalstīs Latvijas Investīciju un attīstības aģentūras klientu apkalpošanas nodaļā, Pērses ielā 2, Rīga, LV-1442, vai zvanīt +371 67039499, darba dienās no 8:30 līdz 17:00.

LIAA speciālisti atlasīs no datubāzes tieši Jūsu uzņēmuma profilam un darbības sfērai visatbilstošākās izstādes ikvienā Jūs interesējošā valstī. Ja vēlaties atrast sev piemērotāko izstādi, lūdzam griezties LIAA.
