

Nozīmīgākās MAŠĪNBŪVES UN METĀLAPSTRĀDES nozares izstādes 2011. gadā

Krievija		
<p>INTERPLASTICA 25Jan-28Jan 2011 Moscow http://www.interplastica.de/</p>	<p>Starptautiska plastmasas un gumijas izstrādājumu ražošanas izstāde. Apvienojumā ar UPAKOVKA / UPAK ITALIA</p>	<p>Machinery and equipment for the plastics and rubber industries, machines and equipment for preprocessing and recycling, machinery and plants for processing, post processing machines, machinery and plants for finishing / decorating / printing and marking, welding machines, moulds and dies, ancillary equipment, measuring, control and testing equipment, parts and components, raw materials and auxiliaries, plastics and rubber products, logistics, material handling for the plastics and rubber industries, services for the plastics and rubber industries</p>
Ukraina		
<p>Intertool Kiev 23Feb-26Feb 2011 Kiev http://www.intertool-kiev.com/</p>	<p>Starptautiska izstrādājumu, aparatūru un instrumentu izstāde</p>	<p>Chemical products, electrical supplies, garden tools, hand tools, hardware, fastening technology, power tools, pneumatic tools, tools accessories, working clothes and personal protection, workshop tools, trade press</p>
Vācija		
<p>Z 2011 01Mar-04Mar 2011 Leipzig http://www.subcontractingfair.com</p>	<p>Plaša profila inžienozaru piegāžu un kooperācijas izstāde - detaļas, komponenti, moduļi un tehnoloģijas.</p>	<p>Parts, components, modules and technologies: automobile construction and automobile supply, plant, machine and tool construction, plastics engineering and processing, other industrial sectors and industrial services</p>

Krievija		
<p>ST. PETERSBURG TECHNICAL FAIR 15Mar-17Mar 2011 St. Petersburg http://www.pfair.ru</p>	<p>Plašs starptautisks tehnisko nozaru gadatirgus. Norisnās kopā vairākas izstādes</p>	<p>Mechanical engineering: compressors, pumps, valves, gears, production and recycling of plastic, bearings, motors for industrial production - industrial innovations: high technologies, innovations, investments, industrial automation - metalworking: metalworking technologies and equipment - metallurgy: metallurgy, casting - modern industrial enterprise: production control, warehouse equipment and mechanisms, power supply and utilities, industrial safety, industrial ecology and waste disposal - Avtoprom / ICTA (automotive industry): car components, car spare parts and servicing</p>
Vācija		
<p>metall München 16Mar-19Mar 2011 Munich http://www.metall-muenchen.de</p>	<p>Eiropas līmeņa metālapstrādes nozares tirdzniecības izstāde</p>	<p>Machine tools, joining and welding technology, surface technology, sheet metal bending machines, precision tools, tooling, parts, components and accessories, manufacturing and process automation, software, metrology and quality assurance, services, metal working</p>
Vācija		
<p>HANNOVER MESSE 04Apr-08Apr 2011 Hanover http://www.hannovermesse.de</p>	<p>Pasaules nozīmīgākā tehnoloģiju izstāde. Plaša profila inženiernozares izstāde. Nozares: piegādes un kooperācija, inovācijas, jaunās tehnoloģijas, enerģētika, vēja un saules enerģija, automatizācija, u.c.</p>	<p>Exhibits/main sectors: Annual: Digital Factory, Energy, Power Plant Technology, MicroNanoTec, Industrial Supply, Research & Technology, Industrial Automation (Factory Automation, Process Automation), MobilTec, CoilTechnica - additionally in odd years: MDA - Motion, Drive & Automation, SurfaceTechnology, ComVac, Wind</p>

Vācija		
<p>Industrial Automation / HANNOVER MESSE 04Apr-08Apr 2011 Hanover http://www.hannovermesse.de</p>	<p>Leading Trade Fair for Process Automation, Factory Automation and Integrated Industrial and Building Automation Systems</p>	<p>Exhibits/main sectors: Process Automation (INTERKAMA+): technology for measurement, regulation and control, field devices and components, process control systems, engineering, maintenance, services - Factory Automation: mechanical and plant engineering, robotics and robot-assisted automation solutions, linear motors, electric power transmission and motion control, industrial image processing and sensor systems - Industrial Building Automation: technology for measurement, regulation and control, application specific automation systems, integrated solutions for specific business sectors, mobile robots and autonomous systems</p>
Spānija		
<p>GENERA 11May-13May 2011 Madrid http://www.ifema.es</p>	<p>Starptautiska enerģētikas un apkārtējās vides izstāde. Nozares: piegādes un kooperācija bioenerģijas ražošanai – konveijeri, padeves mehānismi, konteineri, tvertnes, krāsnis, elektroniskie vadības bloki, u.c.</p>	<p>Energy services. Solar (thermal, photovoltaic and thermoelectric). Cogeneration. Wind. Biomass. Hydrogen. Fuel Cell. Residual. Geothermic. Hydraulic. Fossil energies (coal, gas, petroleum). Marine. Energy consultancy. Other energies</p>
Norvēģija		
<p>NOR-SHIPING 24May-27May 2011 Oslo http://www.messe.no/en/ntf/Projects/Nor-Shipping/</p>	<p>Starptautiska vadoša kuģošanas un jūrniecības izstāde. Nozares: kuģu būve, metāla konstrukcijas, ostu aprīkojums, navigācija</p>	<p>Design, development and construction of every type of ship. Repair, conversion and modernisation. Full range of ship's gear - deck equipment, auxiliary machinery, pumps, compressors, cranes. Safety, rescue and survival, lifeboats, alarms. Maintenance, treatment, chemicals, coatings. Furniture, panels, flooring, galley. Marine electronics, computerisation, satellite communications, navigation and positioning. Maritime management hardware and software, professional ship management. Classification, financial services. Port services. Equipment for the offshore supply sector. Publications</p>

Šveice		
<p>Swiss Industrial Days 24May-26May 2011 Zurich http://www.sid-messe.ch/</p>	Šveices rūpniecības dienas	Control systems, drive technology, sensors, robots and handling systems, fluid technology, production management, engineering in automation, electronics, measurement and testing systems, specialist expertise
Vācija		
<p>LIGNA HANNOVER 30May.-03Jun 2011 Hanover http://www.ligna.de/</p>	Kokapstrādes iekārtu ražošana.	Forestry - sawmill technology - solid wood working - wood materials and veneer production - Handwerk, Holz & mehr (wood crafts) - furniture industrie - bioenergy from wood
Lielbritānija		
<p>Subcon 07Jun-09Jun 2011 Birmingham http://www.subconshow.co.uk</p>	Rūpniecisko apakšuzņēmēju izstāde. Norisinās ik gadu, pāra gados kopā ar IP&EE, MACH, Drives and Control, Electrex, Air-Tech, Plant & Works un IFPEX	Subcontracting services: painting, polishing, blast cleaning, woodworking, plastics and rubber, machining/metal cutting, fasteners, computer systems, casting, assembly operations, gauges and instruments, toolmaking
Dānija		
<p>Herning Industri – 2011 (Hi 11) 06Sep-09Sep 2011 Herning http://www.hi-industri.dk/</p>	Plaša profila Skandināvijas inženierozaru piegāžu un kooperācijas izstāde.	Automation, electronics, electrical engineering, industry IT, innovation, tools and working environment, packaging, logistics and internal transport, welding and cutting, subcontracting, woodworking industry, metal industry
Somija		
<p>ALIHANKINTA 2011 - SUBCONTRACTING 13Sep-15Sep 2011 Tampere http://www.tampereenmessut.fi/</p>	Plaša profila inženierozaru piegāžu un kooperācijas izstāde	Business sectors: Subcontracting

Vācija		
<p align="center">EMO Hannover 19Sep-24Sep 2011 Hanover http://www.emo-hannover.de</p>	<p align="center">Metālapstrādes izstāde</p>	<p align="center">Metal cutting machine tools, metal forming machine tools, sheet metal, wire and pipe working machines, NC technology, flexible automation, CAD / CAM / CIM, precision tools, diamond tools, information technologies, hardware and software, internet, clamping devices, assembly and manipulation, industrial electronics, industrial robots, sensor and diagnostics technology, measuring and testing, thermal machines, mechanical, hydraulic, electrical and electronic accessories for metal working, specialist publications</p>
Čehija		
<p align="center">MSV 03Oct-07Oct 2011 Brno http://www.bvv.cz/msv-gb</p>	<p align="center">Starptautisks inženierijas gadatirgus</p>	<p align="center">Mining, metallurgic, foundry, ceramic and glass technologies, components for machinery, drives, hydraulics and pneumatics, cooling technology, air-conditioning, plastics, rubber and chemistry, processing, forming and surface finishing, power engineering and heavy current electrical engineering, electronic and automation, environmental technology, research, services, institutions</p>
Zviedrija		
<p align="center">ELMIA SUBCONTRACTOR 08Nov-11Nov 2011 Jonkoping http://www.elmia.se/subcontractor/</p>	<p align="center">Starptautiskā inženierzinātņu nozares izstāde</p>	<p align="center">Metal, rubber and plastic products processed or produced by: casting, pressing, welding, bending, milling, drilling, die casting, rolling, forging, cutting, grinding, turning, or other mechanical processes. Instruments, electromechanical, hydraulic and pneumatic components, pumps, power transmission, services</p>

Francija		
<p>MIDEST 15Nov-18Nov 2011 Paris http://www.midest.com/</p>	<p>Vadoša starptautiska rūpniecisko apakšuzņēmēju izstāde</p>	<p>Metal processing, plastics and rubber, electronics and electricity</p>
Igaunija		
<p>INSTRUTEC 16Nov-18Nov 2011 Tallinn http://www.fair.ee/</p>	<p>Starptautiska izstāde, apvienojumā ar Woodtec</p>	<p>Machine tools, industrial equipment, control systems for industry, CAD/CAM-software and hardware, hydraulics, pneumatics, mechanical power transmissions, bearings, seals, steel, non-ferrous metals, welding, measurement and control devices, hand and cutting tools, dies and moulds, subcontracting for industry, transport, logistics, protection of health and safety standards at work, lubricants, metal processing, transports, consulting services, literature</p>
