

Nozīmīgākās ELEKTROTEHNIKAS un ELEKTRONIKAS nozares izstādes 2012. gadā

Japāna		
INTERNEPCON JAPAN 18Jan-20Jan 2012 Tokyo http://www.nepconworld.jp	Āzijas lielākā elektronozares izstāde	Incorporated shows : INTERNEPCON JAPAN, ELECTROTEST JAPAN, PWB EXPO, ICP, ELE TRADE, CAR-ELE JAPAN, LIGHTING JAPAN, EV JAPAN, MATERIAL JAPAN
Japāna		
ELE TRADE 18Jan-20Jan 2012 Tokyo http://www.eletrade.jp/en/	Starptautiska elektrokomponentu izstāde	General electronic components, capacitors, condensers, ICs, modules, switches, relays, fuses. Resistors, transformers / ferrites, crystal products, oscillators, coils / inductors, resonators, filters. With Connector & Cable Zone, Sensor Zone, and Design Solution Components & Materials Zone
Nīderlande		
ISE-Integrated Systems Europe 31Jan-02Feb 2012 Amsterdam http://www.iseurope.org	Integrētās elektronikas un elektrotehnikas tehnoloģiskie risinājumi komerciālajām un dzīvojamām platībām.	Audio, control systems, interfacing and distribution, display and projection, environmental controls, home networking and automation, security, rigging, rental and staging, lighting, software, tele / data communications, video production, streaming media, digital signage, IP communication and collaboration, video conferencing and collaborative technologies

Somija		
<p>Sähkö - Tele - Ääni & Valo 01Feb-03Feb 2012 Jyvaskyla http://www.jklpavilionki.fi</p>	<p>Specializēta elektronozares izstāde - telekomunikācijas, apgaisme, audio vizualizācija, u.c.</p>	<p>Equipment for: Production, transmission, driving, switching, control and regulation. Electrical machinery and instruments, control centres, switches, industrial electrical drives, cables and lines, installation materials and techniques, electrical heating, lighting. Telecommunications</p>
Zviedrija		
<p>ELMÄSSA Öresund 08Feb-09Feb 2012 Malmo http://www.easyfairs.com</p>	<p>Elektronikas un elektrotehnikas instalāciju izstāde</p>	<p>Electrical Engineering, Electronics</p>
ASV		
<p>Electronics West 14Feb-16Feb 2012 Anaheim http://www.canontradeshows.com</p>	<p>Elektronikas ražotāju izstāde. Apvienojumā ar vairākām citām izstādēm</p>	<p>Adhesives and solder, contract services, electronic components, PCB production equipment, subassemblies, software</p>
Ķīna		
<p>IIC China 23Feb-25Feb 2012 Shanghai http://www.english.iic-china.com/</p>	<p>Starptautiska integrālshēmu izstāde un konference</p>	<p>Electronics, Specialized Technical Fairs</p>
Izraēla		
<p>HI-TECH March 2012 Tel Aviv http://www.hi-tech.co.il/</p>	<p>Augsto tehnoloģiju izstāde un kongress</p>	<p>Electronics, micro-electronics, R&D, optical communication, laser system technology, opto-electronics, optical manufacturing technology, optical components and system technology, holography, measuring, tests and analysis, image and signal processing, optical sensors, industrial applications, laser system peripherals, laser in medicine</p>

Baltkrievija		
<p>AUTOMATION. ELECTRONICS 13Mar-16Mar 2012 Minsk http://www.minskexpo.com.by</p>	<p>Starptautiska elektronikas un automatizācijas izstāde</p>	<p>Technical means, systems of automatic control and management, industrial automation, robotics, machinery for control and measurement, computer equipment, information technologies, electronics</p>
Izraēla		
<p>NanoIsrael 26Mar-27Mar 2012 Tel Aviv http://www.kenes.com/nano</p>	<p>Starptautiska nanotehnoloģiju izstāde un konference</p>	<p>Nano materials, electronics, photonics, bio, medicine, energy and environment</p>
Čehija		
<p>AMPER 02Apr-05Apr 2012 Prague http://www.amper.cz/</p>	<p>Starptautiska elektronikas un elektrotehnikas izstāde</p>	<p>Electronic components and modules, power generation and distribution equipment, electric installation components, conductors and cables, drives and power electronics, instrumentation and control equipment, lighting devices and systems, electrothermal technology, building installation systems, communication and IT systems, machines, devices, tools and aids for electricians and electrotechnical engineering</p>
Krievija		
<p>ExpoElectronica Moscow 11Apr-13Apr 2012 Moscow http://expoelectronica.primexpo.com/</p>	<p>Elektrokomponentu un tehnoloģiskā aprīkojuma izstāde. Apvienojumā ar ElectronTechExpo Moscow</p>	<p>Main Sectors: embedded systems, hybrid technique, sensors and microsystems, displays, power suppliers, passive components, PCBs, semiconductor devices, electromechanical components and technologies of connections</p>

Ķīna		
<p>NEPCON China / EMT China 25Apr-27Apr 2012 Shanghai http://www.nepconchina.com/</p>	<p>Starptautiska elektronikas un mikroelektronikas izstāde</p>	<p>Complete range of electronics manufacturing technology including electronic assembly products and services, all phases of printed circuit board assembly, surface mounted technology, material, supplies and components. Component and PCB manufacturing profile includes semiconductor components, passive components, electromechanical microwave, opto-electronic components and subsystems, diskdrive components, electronic subcontracting, test and measurement, semiconductor manufacturing equipment, materials and supplies, assembly technology, other profile includes, fibre-optics technology, electro-testing equipment as well as IC packaging technology. With EMT - Electronics Manufacturing Technology China / Test & Measurement China / Electronic Manufacturing Services China / Component Manufacturing / Digital Factory China</p>
Čehija		
<p>ELECTRON 13Mar-16Mar 2012 Prague http://www.electroncz.cz</p>	<p>Elektrotehnikas, elektronikas un energoinženierijas izstāde</p>	<p>Business sectors: Electrical Engineering, Electronics, Energy</p>
Norvēģija		
<p>Eliaden 04Jun-07Jun 2012 Lillestrom http://eliaden.no</p>	<p>Automatizācijas, enerģētikas un elektronzares izstāde</p>	<p>Automation, Robotics, Manufacturing Technology, Production Engineering, Electrical Engineering, Energy</p>

Lielbritānija		
<p>PLASA 09Sep-12Sep 2012 London http://www.plasashow.com/</p>	<p>Apgaismes un skaņas izstāde / šovs</p>	<p>Professional lighting, sound, presentation and staging equipment special effects for theatre, live events, clubs and bars, stadia, leisure and retail complexes</p>
Singapūra		
<p>GlobalTRONICS 19Sep-21Sep 2012 Singapore http://www.globaltronics.com.sg/</p>	<p>Starptautiska elektro rūpniecības nozares produktu un pakalpojumu izstāde</p>	<p>PCB assembly and fabrication, pick and place systems, plating equipment, soldering equipment, surface mount equipment, active/passive components, batteries and chargers, capacitors, relays, resistors, transformers, transistors, in-circuit testers, components Testers, semiconductor test equipment, optical measurement, X-ray inspection equipment, metal stamping, plastic and rubber moulding, contract manufacturing, automation, LCD/OLED/FPD manufacturing, materials, testing and assembly. Incorp. NEPCON Asia-Pacific, Asia Electronics, ElectroTEST Asia, Electronics Manufacturing Services, INPRO, OPTOelectronics Asia, DESIGNTech Asia, NANO Asia and MEMS Asia</p>
Vācija		
<p>SEMICON Europa 09Oct-11Oct 2012 Dresden http://www.semiconeuropa.org</p>	<p>Starptautiska pusvadītāju un līdzīgo nozaru izstāde</p>	<p>Manufacturing technology, equipment, materials and services used in the manufacture of semiconductors, flat panel displays, MEMS, photovoltaic and related industries</p>

Vācija		
<p>belektro 17Oct-19Oct 2012 Berlin http://www.belektro.de/</p>	<p>Elektroinženierijas, elektronikas un apgaismes izstāde</p>	<p>Electrical engineering and electronics, building services engineering, home security, lighting systems, information technology, innovative energy technologies, climate control technology, services</p>
Vācija		
<p>electronica 13Nov-16Nov 2012 Munich http://www.electronica.de/</p>	<p>Elektronikas izstāde</p>	<p>Semiconductors, passive components, electromechanics / system peripherals, PCBs and other circuit carriers, EMS, embedded systems (electronica embedded), electronics design, displays, micronano-systems, sensor technology, power supplies, automotive (electronica automotive), wireless, test and measurement, information and services</p>
