

Nozīmīgākās MAŠĪNBŪVES UN METĀLAPSTRĀDES nozares izstādes 2012. gadā

ASV

PLASTECC West
14Feb-16Feb 2012 | Anaheim
<http://www.PLASTECCwest.com>

Plastmasas ražošanas nozares izstāde un konference.
Apvienojumā ar vairākām izstādēm

Primary processing machinery, computer-aided design and manufacturing, production machinery, materials, molds, and mold components, automation technology, materials handling / logistics, contract service providers

Krievija

ST. PETERSBURG TECHNICAL FAIR
13Mar-15Mar 2012 | St. Petersburg
<http://www.ptfair.ru>

Plašs starptautisks tehnisko nozaru gadatirgus. Norisnās kopā vairākas izstādes

Mechanical engineering: compressors, pumps, valves, gears, production and recycling of plastic, bearings, motors for industrial production - industrial innovations: high technologies, innovations, investments, industrial automation - metalworking: metalworking technologies and equipment - metallurgy: metallurgy, casting - modern industrial enterprise: production control, warehouse equipment and mechanisms, power supply and utilities, industrial safety, industrial ecology and waste disposal - Avtoprom / ICTA (automotive industry): car components, car spare parts and servicing

Nīderlande		
<p>ESEF 13Mar-16Mar 2012 Utrecht http://www.vnuexhibitions.com</p>	<p>Piegādātāju, apakšuzņēmēju un inženierzinātņu gadatirgus. Kopā ar Techni-Show</p>	<p>Metal treatment and products, surface technology, raw and base materials, rubber and plastics processing, tools, stamps and moulds, system and module suppliers, engineering and design, electronic contract manufacturing, automation solutions, collective participations, multidisciplinary, ERP</p>
Turcija		
<p>SUBCONIST 14Mar-17Mar 2012 Istanbul http://www.subconist.com</p>	<p>Rūpniecisko apakšuzņēmēju izstāde</p>	<p>Casting, metal and chipless forming, heat and surface treatments, dies, moulds and patterns, plastics and rubber, electronics and electricity, glass, chemical and metal products, raw materials, industrial equipment, industrial insulation products, machine tools and equipment, metal processing, machines and desks, injection machines, cutting tools, lubricants and mineral oil, factory equipment, hydraulic, pneumatic systems, general machinery, automation, hardware equipment, safety equipment, quality and certification institutions, financial institutions</p>
Lielbritānija		
<p>Subcon 17Apr-19Apr 2012 Birmingham http://www.subconshow.co.uk</p>	<p>Rūpniecisko apakšuzņēmēju izstāde. Norisinās ik gadu, pāra gados kopā ar IP&EE, MACH, Drives and Control, Electrex, Air-Tech, Plant & Works un IFPEX</p>	<p>Subcontracting services: painting, polishing, blast cleaning, woodworking, plastics and rubber, machining/metal cutting, fasteners, computer systems, casting, assembly operations, gauges and instruments, toolmaking</p>

Vācija		
<p>HANNOVER MESSE 23Apr-27Apr 2012 Hanover http://www.hannovermesse.de</p>	<p>Pasaules nozīmīgākā tehnoloģiju izstāde. Plaša profila inženierozaru izstāde. Nozares: piegādes un kooperācija, inovācijas, jaunās tehnoloģijas, enerģētika, vēja un saules enerģija, automatizācija, u.c.</p>	<p>Exhibits/main sectors: Annual: Digital Factory, Energy, Power Plant Technology, MicroNanoTec, Industrial Supply, Research & Technology, Industrial Automation (Factory Automation, Process Automation), MobiliTec, CoilTechnica - additionally in odd years: MDA - Motion, Drive & Automation, SurfaceTechnology, ComVac, Wind</p>
Vācija		
<p>Industrial Automation / HANNOVER MESSE 23Apr-27Apr 2012 Hanover http://www.hannovermesse.de</p>	<p>Pasaules nozīmīgākā tehnoloģiju izstāde.</p>	<p>Exhibits/main sectors: Process Automation (INTERKAMA+): technology for measurement, regulation and control, field devices and components, process control systems, engineering, maintenance, services - Factory Automation: mechanical and plant engineering, robotics and robot-assisted automation solutions, linear motors, electric power transmission and motion control, industrial image processing and sensor systems - Industrial Building Automation: technology for measurement, regulation and control, application specific automation systems, integrated solutions for specific business sectors, mobile robots and autonomous systems</p>

Vācija		
<p>Research & Technology / HANNOVER MESSE 23Apr-27Apr 2012 Hanover http://www.hannovermesse.de</p>	<p>Pasaules nozīmīgākā tehnoloģiju izstāde.</p>	<p>Exhibits/main sectors: Scientific basic research - applied research and technology - services for research and technology - research in laser technology, hydrogen technology, micro-system technology, nanotechnology, life science and in optical technology - aerospace - neuroscience - research institutes of industry - technology transfer - bionics - smart textiles - adaptronics - organic electronics</p>
Zviedrija		
<p>ELMIA POLYMER - Powered by Fakuma 08May-11May 2012 Jonkoping http://www.elmia.se/polymer/</p>	<p>Starptautiska gumijas, polimēru un tehnisko plastmasu izstāde</p>	<p>Raw materials, tools and prototypes, measurement and testing systems, industrial robots and other peripheral equipment</p>
Vācija		
<p>AUTOMATICA 22May-25May 2012 Munich http://www.automatica-munich.com/</p>	<p>Starptautiska automatizācijas un mehatronikas izstāde</p>	<p>Assembly and handling technology, robotics, machine vision, positioning systems, drive technology, sensor technology, control systems technology, safety technology, supply technology, software, services and service providers, research and technology</p>

ASV		
<p>Atlantic Design & Manufacturing 22May-24May 2012 Philadelphia http://www.devicelink.com</p>	<p>Apvienojumā ar PLASTECEast, ATX East, Green Manufacturing Expo</p>	<p>Coatings and finishes, composites, CAD / CAM, electrical / electronic, electro optical components and equipment, engineered safety products, engineering management and tools, fasteners, fluid media, fluid power and control, gears, industrial design, industry services, instruments and controls, joining systems and components, mechanical components, metals and alloys, motion control / power transmission, motors, packaged drives, packaging, performance properties, plastics and elastomers, polyolefins, valves / switches / controls</p>
Lielbritānija		
<p>MEDTEC UK 23May-24May 2012 Birmingham http://www.medtech.co.uk/</p>	<p>Medicīnisko iekārtu dizains un ražošana. Izstāde un konference. Apvienojumā ar Advanced Manufacturing UK</p>	<p>Medical design and manufacturing: Contract manufacturing and subcontracting, component fabrication, tubing, adhesives and adhesive products, electronic components, production / assembly, packaging equipment and materials, motors and motion control, plastics, testing equipment and services, hardware and IV components, precision metalworking, tooling and machining. Design / manufacturing devices for: anaesthesiology and pulmonary medicine, cardiovascular, dental, ear / nose / throat, general hospital and personal use, in vitro diagnostics, neurology, obstetrics and gynaecology, ophthalmic, orthopaedics, physical medicine, radiology, surgery</p>

Čehija		
<p style="text-align: center;">MSV 10Sep-14Sep 2012 Brno http://www.bvv.cz/msv-gb</p>	<p style="text-align: center;">Starptautisks inženierijas gadatirgus</p>	<p>Mining, metallurgic, foundry, ceramic and glass technologies, components for machinery, drives, hydraulics and pneumatics, cooling technology, air-conditioning, plastics, rubber and chemistry, processing, forming and surface finishing, power engineering and heavy current electrical engineering, electronic and automation, environmental technology, research, services, institutions</p>
Vācija		
<p style="text-align: center;">Automechanika 11Sep-16Sep 2012 Frankfurt/Main http://www.automechanika.com</p>	<p style="text-align: center;">Pasaules vadošā autonomzares izstāde</p>	<p>Parts & Systems: powertrain, alternative powertrains, chassis, bodywork, roof systems, interior, infotainment, electrics / electronics / sensor systems, standard / regenerated parts - Accessories & Tuning: accessories and special equipment for motor vehicles in general, tuning, performance systems, design enhancement, optical tuning, car trailers and small commercial vehicle trailers, parts for trailers, tyres / wheels - Repair & Maintenance: workshop equipment / tools, body repairs, painting and anti-corrosion protection, towing service, accident assistance, waste disposal / recycling, workshop management - IT & Management: IT products, vehicle exchange marts, insurance, finance, leasing, claims management, vehicle inspection services, dealer management systems, dealership planning and construction, dealership marketing - Service Station & Car Wash: refuelling, care, oil and lubricants</p>

Somija		
ALIHANKINTA 2012 - SUBCONTRACTING 18Sep-20Sep 2012 Tampere http://www.tampereenmessut.fi/	Rūpniecisko apakšuzņēmēju izstāde	Business sectors: Subcontracting
Vācija		
InnoTrans 18Sep-21Sep 2012 Berlin http://www.innotrans-berlin.de	Pasaules vadošā transporta tehnoloģiju, inovāciju, sistēmu izstāde	Railway Technology / Interiors / Railway Infrastructure / Public Transport / Tunnel Construction / Vehicle presentation on outdoor rail display
Vācija		
AMB 18Sep-22Sep 2012 Stuttgart http://www.messe-stuttgart.de/amb	Starptautiska metālapstrādes izstāde	Metal-cutting machine tools - physico-chemical process machine tools - other machines - precision tools - measuring systems and quality assurance - robots, workpiece and tool handling - Industrial Software & Engineering - parts, components and accessories - services, organisations, publishers
Norvēģija		
DEN TEKNISKE MESSEN 28Sep-28Sep 2012 Lillestrom http://www.mgf.no/den-tekniske-messen	Tehnikas gadatirgus / izstāde	5 exhibitions united under one roof: MASKIN & VERKSTED - machinery engineering. TRANSPORT, LAGERING & EMBALLERING - distribution, storage and packaging. HYDRAULIKK & PNEUMATIKK - hydraulics and pneumatics. ELEKTRO, ELEKTRONIKK & AUTOMATISERING - electro, electronics and automation. VEDLIKEHOLD & REPARAJSON - maintenance and repair

Austrija		
<p>vienna-tec 09Oct-12Oct 2012 Vienna http://www.vienna-tec.at/</p>	<p>Plaša starptautiska inženierozaru izstāde. Apvienojumā ar 6 dažādām izstādēm</p>	<p>Combined event of 6 trade fairs: automation austria, energy-tec, ie, intertool, Messtechnik and Schweissen / Join-Ex. Drive technology, work safety, automation, workshop and factory equipment, maintenance, logistics, energy distribution, electrical system planning / installation, manufacturing and finishing technology, hydraulics and pneumatics, industrial electronics, gauging and testing technology, quality assurance, surface treatment technology, welding, joining, cutting, protection, sensorics</p>
Vācija		
<p>EuroBLECH 23Oct-27Oct 2012 Hanover http://www.euroblech.com/english/</p>	<p>Vadošā lokšņu metālapstrādes tehnoloģiju izstāde</p>	<p>Sheet metal, tube, sections (ferrous and non-ferrous), finished products, components, assemblies, handling, separation / cutting, forming, flexible sheet metal working, tube / section processing, machine elements, joining / welding / fastening, surface treatment of sheet metal, tools / dies, controlling / regulating / measuring / testing, quality assurance, CAD / CAM systems / data processing, factory and warehouse equipment, environment protection / recycling, safety at work, research and development</p>
Zviedrija		
<p>ELMIA SUBCONTRACTOR 06Nov-09Nov 2012 Jonkoping http://www.elmia.se/subcontractor/</p>	<p>Starptautiskā inženierzinātņu nozares izstāde</p>	<p>Metal, rubber and plastic products processed or produced by: casting, pressing, welding, bending, milling, drilling, die casting, rolling, forging, cutting, grinding, turning, or other mechanical processes. Instruments, electromechanical, hydraulic and pneumatic components, pumps, power transmission, services</p>

Igaunija		
<p>INSTRUTEK 14Nov-16Nov 2012 Tallinn http://www.fair.ee/</p>	<p>Starptautiska izstāde, apvienojumā ar Woodtec</p>	<p>Machine tools, industrial equipment, control systems for industry, CAD/CAM-software and hardware, hydraulics, pneumatics, mechanical power transmissions, bearings, seals, steel, non-ferrous metals, welding, measurement and control devices, hand and cutting tools, dies and moulds, subcontracting for industry, transport, logistics, protection of health and safety standards at work, lubricants, metal processing, transports, consulting services, literature</p>
Norvēģija		
<p>AGROTEKNIKK 15Nov-18Nov 2012 Lillestrom http://www.agroteknikk.com/</p>	<p>Lauksaimniecības iekārtu, mašīnu izstāde</p>	<p>Business sectors: Agriculture. Frequency: Every 3 years</p>
Dānija		
<p>Agromek 27Nov-30Nov 2012 Herning http://www.agromek.dk/</p>	<p>Starptautiska Lauksaimniecības tehnikas izstāde</p>	<p>Agricultural machinery, treatment/storage and handling of slurry, feeding technology, milking equipment, agricultural buildings, straw furnace plant, mechanization and ventilation of livestock buildings, storage and handling of grain and seeds, mixing and transport of feed, feed production machinery, biological gas technology, garden/park implements</p>
Vācija		
<p>EuroMold 27Nov-30Nov 2012 Frankfurt/Main http://www.euromold.com/</p>	<p>Veidņu, instrumentu, dizaina un programmu izstrādes izstāde</p>	<p>Moldmaking and tooling, patternmaking and prototyping, rapid prototyping and tooling, rapic manufacturing, design, simulation, visualisation, engineering, virtual reality, CAD / CAM, tools, machine tools, materials, quality assurance and automation, processing and finishing</p>

Francija		
<p>MIDEST 06Dec-09Dec 2012 Paris http://www.midest.com/</p>	<p>Vadoša starptautiska rūpniecisko apakšuzņēmēju izstāde</p>	<p>Metal processing, plastics and rubber, electronics and electricity</p>
