# Definition Cage Code

“Commercial and Government Entity” (CAGE) code” means—

- (1) A code assigned by the Defense Logistics Information service (DLIS) to identify a commercial or Government entity;  
or
- (2) A code assigned by a member of the North Atlantic Treaty Organization (NATO) that DLIS records and maintains in the CAGE master file. This type of code is known as an **“NCAGE code.”**

# FOREIGN VENDORS

Foreign registrants in CCR must have a NATO Commercial and Governmental Entity (NCAGE) Code assigned. If your organization does not already have an NCAGE assigned, most countries can obtain one using the form at the web site below. If you cannot submit this form by Internet, you can obtain an NCAGE by contacting the National Codification Bureau of the country where your organization is located. For a list of addresses, go to [http://www.dlis.dla.mil/nato\\_poc.asp](http://www.dlis.dla.mil/nato_poc.asp) )

# NATO CAGE CODE

- **Contractors and other organizations in the following countries may request a NATO CAGE (NCAGE) code directly from the National Codification Bureau (NCB) in their respective country by filling out the NATO Form AC/135-2**
- **Companies shall be allowed to apply directly to NCBs for NCAGE Code assignments. To request an NCAGE from a country other than the countries listed on the table, or Italy, select "Other" from the drop down menu in block 2 of the form. These requests will be processed by the NATO Maintenance and Supply Agency (NAMSA) in Luxembourg.**
- **Blocks marked with an asterisk (\*) and shaded are mandatory requirements. Failure to complete one or more of these fields will result in your not being able to transmit the form for processing. Note: The blocks will expand in size to accommodate your entries.**
