

Latvian Export & Import Directory

Published: 27.07.2020.

www.exim.lv — FREE export orientated information on-line database. The goal of the directory is to provide exchange of the information about import and export facilities for Latvian and foreign entrepreneurs in Internet.

Main parts of the portal

[Companies](#) – database of Latvian companies;

[Business proposals](#) – business advertisements;

[Events](#) – list of events in Latvia and foreign countries;

[Market info](#) – information about Latvian economic industries and trade.

Any visitor has possibilities to find out the information about Latvian companies, events in Latvia and abroad, basic facts about Latvia, and to look for business cooperation by searching and submitting business proposals.

The entrepreneurs from Latvia and abroad have possibility to attach business proposals, but entrepreneurs from Latvia also to submit company profile.
