

LIAA and Innovation Norway organized event to enhance bilateral relations

Published: 18.12.2020.

Investment and Development Agency of Latvia (LIAA) in cooperation with the program partner "Innovation Norway" organized an online event. The aim of the event was to enhance bilateral relation between Norway's and Latvian institutions, as well as entrepreneurs, who are seeking for potential project partners. "International Green Industry Innovation and ICT" event was held online on 15th December 2020. The main target audience were entrepreneurs who are working in green industry and information and communication technology spheres.

The event was split into two parts – webinar and business matchmaking sections. For the webinar more than 300 participants registered from different parts of Europe including: Belgium, Croatia, Estonia, Lithuania, Latvia, Norway, Rumania and Slovakia. From Latvia, around 70 entrepreneurs and institution members registered for the webinar, while 16 entrepreneurs were accepted to take part in the business matchmaking.

Webinar part of the event is available [here](#).

At the same time, we encourage entrepreneurs to follow news regarding the program's activities. You can follow the latest news, by subscribing to newsletter [here](#).

The main call is scheduled for Q1 2021.
