

Gruppo Editoriale Collins SRL, [section Brico, Home, Garden](#).

Ferramenta & Casalinghi, first published in 1965, was the first magazine dedicated to the world of hardware and DIY, and in its 60-year history, it has followed the evolution of the market by reporting about it to all the main operators in the sector.

Website Mondopratico.it is the natural evolution of the Ferramenta & Casalinghi magazine. It updates the market daily on the latest news from the world of hardware and gardening distribution and production.

Buyer Point is an annual event dedicated to networking. Every year it brings more than 150 producers and more than 400 buyers to Milan and has become the must-have for import and export managers in the sector.

Marco Ugliano has been working as a journalist since 2004 and is editor-in-chief of the Ferramenta & Casalinghi magazine and the website www.mondopratico.it. As the expert of the Italian DIY market where he has been dealing with since 2007, he follows the dynamics and evolution of the sector by interviewing the main producers and distributors throughout Italy and during the most important foreign trade fairs.

Since 2008 **Carlo Sangalli** has been the organizer of Buyer Point, the most important Italian DIY networking event. Starting from 2016 he has been focusing on creating new import and export opportunities from and to Italy. Through Buyer Point he put the Italian market in contact with operators from more than 20 different countries closely following outcomes and acquiring a great deal of experience regarding the dynamics of meeting supply and demand.
