4	Czech Export Bank Jaroslav Výborný CEO jaroslav.vyborny@ceb.cz www.ceb.cz	Česká exportní banka, a.s. (Czech Export Bank; "ČEB") is a specialised, directly and indirectly state-owned banking institution. Established in 1995, it forms one of the pillars of the government's pro-export policy system. ČEB's mission is to support Czech exports and the renown of the Czech Republic as a well-established international exporter, and thus promote the overall competitiveness of Czech products throughout the world. ČEB focuses on financial services related to exports. ČEB has many years of experience in financing major export transactions of Czech exporters, as well as financing export contracts for smaller units or partial deliveries. Currently, it is foreign buyers - Czech exporters' partners - to whom most ČEB's products are being disbursed, and for whom Czech goods and services are becoming attractive, not only due to their quality and reasonable prices.
